Who We Are

At Seattle Bank, our mission is to be a unique financial resource to our community by providing our clients a personalized experience and peace of mind. We know that we create value for clients by aligning the right resources behind them and their dreams. We achieve that alignment through a shared sense of vision, urgency, and possibility.

We're unlike most banks, in that we are highly focused on providing tailored services to individuals and families, business owners, and businesses. That focus enables us to customize solutions to a unique personal or business situation. We leverage a great team and great technology to move quickly, and to make things easy for our clients.

Position Summary

The Accountant role is part of the Family Office Services group located in Gig Harbor. The team provides bill pay, financial reporting, and administrative solutions for Ultra-High Net Worth clients. We are looking for an energetic and resourceful professional; someone who enjoys solving problems and gets energized working on multiple assignments, including handling special client requests. The ideal candidate must be great with details, very organized, a self-starter, and adaptable as needs change. The position's responsibilities include personal and partnership accounting, financial reporting, cash management, and bill payment. The Accountant will be an integral part of the Family Office Services group, providing day-to-day financial support for multiple clients.
