
BANK OPERATIONS SPECIALIST

Full Time, Non-Exempt

Reports to VP, Bank Operations Manager

November 19, 2021

Who We Are

At Seattle Bank, our mission is to be a unique financial resource to our community by providing our clients a personalized experience and peace of mind. We know that we create value for clients by aligning the right resources behind them and their dreams. We achieve that alignment through a shared sense of vision, urgency, and possibility.

We're unlike most banks, in that we are highly focused on providing tailored services to individuals and families, business owners, and businesses. That focus enables us to customize solutions to a unique personal or business situation. We leverage a great team and great technology to move quickly, and to make things easy for our clients.

Position Summary

Under general direction of the Bank Operations Manager, the Bank Operations Specialist is responsible for a variety of operational functions within bank operations including ACH and wire processing, exception item processing, EFT error resolution & fraud monitoring/mitigation, and client service support.

Essential Duties

- Wire and ACH Origination: Ensure proper security controls are adhered to in processing of domestic and international wires and ACH files.
- Performs specialized operational tasks including branch and back-office internal certifications
- Perform a variety of deposit-related regulatory compliance monitoring functions including Regulation E, Regulation GG, Regulation J and ACH rules.
