Certificates of Deposit (CD) and Individual Retirement Accounts CD: Interest compounds daily and credited to the account quarterly. The (APY) assumes interest remains on deposit until maturity. Flex Rate CDs allow one rate increase per account term based on current posted Flex CD rates at the time of the rate increase is requested. Minimum opening deposit: \$1,000 (\$300 for a minor less than 18 years of age; or \$500 for IRA CDs). An early withdrawal penalty may be imposed if funds are withdrawn prior to maturity. **IRA CD:** Withdrawals before age 59 1/2 may be subject to a 10% federal tax and possible state tax, in addition to an early withdrawal penalty. Account must be opened at a Seattle Bank branch. Refer to account disclosures for additional terms and conditions for all certificate of deposit accounts.

Additional information for Interest Bearing Accounts: Fees or early withdrawal penalties assessed on interest bearing accounts may reduce actual earnings on the account.

Ask a customer service representative for more information about deposit account rates, other account services, or for a copy of our deposit account terms and conditions as well as other account disclosures.
