

Corporate Escrow Solution

Seattle Bank recently provided a regional private equity firm with full escrow services on a new fund. Escrow was opened to collect contributions from investors. Seattle Bank acted as escrow agent, receiving all funds, providing full reporting to the general partner, and will ultimately release funds once the conditions are met.

Jeannie Ciesynski, SVP and Deposit and Treasury Executive worked with the general partner and our client service team to quickly negotiate the escrow agreement and complete the account opening process. The ability to quickly respond to these requests is just one advantage of having a professional, local team that can handle time-sensitive, custom requests.

Seattle Bank is a boutique bank focused on the needs of individuals, businesses and business owners throughout the Pacific Northwest. Our experienced team of bankers blend big-bank solutions with boutique-bank service – creating more value by aligning tailored financial resources and services to match each client’s needs. Through a combination of customized solutions, exceptional service and accelerated answers from local decision-makers, we make the complex simple.
