Seattle Bank Provides HELOC to Retired CEO for New Business Opportunity

Seattle Bank recently provided a Home Equity Line of Credit (HELOC) to an entrepreneur looking to preserve liquidity and fund a new business opportunity. Our client had a complex financial profile with strong liquidity and credit, and a low loan-to-value ratio on their mortgage. Our client selected a HELOC as a flexible, low-cost source of funding to avoid tax implications of liquidating other investments.

Seattle Bank's Specialty Mortgage team took the time to fully examine the client's financial situation and provide a solution that met their needs.

Seattle Bank is a boutique bank focused on the needs of individuals, businesses and business owners throughout the Pacific Northwest. Our experienced team of bankers create value by aligning tailored financial resources and services to match each clients' needs. Through a combination of customized solutions, exceptional service and accelerated answers from local decision-makers, we make the complex simple.

Seattle Bank. Built for you.
