

Partner Buy-in Loan Program

Seattle Bank recently established a partner buy-in loan program for a boutique professional services firm. Loans were made to partners, backed by an assignment of their membership interest with additional credit support from the firm.

Our commercial banker partnered closely with principals of the firm to underwrite and structure the program, which is part of a greater succession planning strategy of the firm. The loans create a capital source for funding the progressive transition of ownership from the founders to emerging leaders.

This is an example of a collaborative solution Seattle Bank is uniquely positioned to provide, as a result of its entrepreneurial and thoughtful approach.

Seattle Bank is a boutique bank focused on the needs of individuals, businesses and business owners throughout the Pacific Northwest. Our experienced team of bankers blend big-bank solutions with boutique-bank service – creating more value by aligning tailored financial resources and services to match each client’s needs.
