

## Seattle Bank Finances Merger of Two Long-Standing Seattle-Based Manufacturers

Brian Goulet, SVP and Relationship Manager, recently provided a \$7.6 million loan to finance the merger of two local manufacturers, who have 50+ year histories supporting the marine and fishing industries in the Pacific Northwest. In addition to the new loan, Seattle Bank is providing a full banking relationship including an operating line of credit and all deposit and treasury management services.

Seattle Bank also acted as corporate escrow agent for the transaction, led by Jeannie Ciesynski, SVP and Deposit & Treasury Executive. This saved the parties transaction costs, and allowed for a smooth, timely close.

Seattle Bank is pleased to support these classic Seattle businesses as they evolve. This is a great illustration of our mission to help our clients build value and create meaning.
